PROJECT

TYPE

LED5ST19 | 5W LED ST19 E26 Base Filament Lamp

WATTAGE	5W
BASE	E26
LUMEN OUTPUT	425Lm (85Lm/W)
COLOR TEMPERATURE	2700K
CRI	90
OPERATING TEMPERATURE	120V Leading Edge/TRIAC or Trailing Edge/ELV Dimming
DIMMING TYPE	-4°F and +113°F (-20°C and +45°C)
LISTINGS	cULus Listed RoHS Compliant, contains no Lead or Mercury ENERGY STAR® Certified California Title 20 Compliant
WARRANTY	Three (3) year replacement after date of purchase
SYSTEM RATING	Up to 15,000 Hours @ 70% Lumen Maintenance

ORDERING INFORMATION

Example Order:

LED5ST19/DIM/927CL13YTL - Clear Glass, E26 Base
2700K, 90CRI
Natural LED Dimmable Lamp

PRODUCT DETAILS

Construction

- Energy efficient, 5W ST19 Edison Style Filament LED Lamp
- Exceptional color quality; mimics the natural light spectrum and controls blue wavelengths for reduced eye strain
- 360° Distribution
- Clear glass design
- Verify fit in fixtures that utilize the face of the lamp for mechanical attachment to ensure compatibility

Performance Summary

- 2700K CCT, 90 CRI
- Dimmable with Leading/TRIAC or Trailing/ELV Edge dimming
- For optimal performance, dimming to 10%, use Trailing/ELV Edge Dimmers designed for LED Lamps
- Dimming performance may vary due to field conditions, including but not limited to, power quality, installation and wiring, and variations in dimmer production; reference the dimmer manufacturer's instructions for dimmer installation and wiring.
