

Odyssey Line Voltage Flexible Track System

120V Luminaires

Specifications/Features

Odyssey Line Voltage Flexible Track System offers unique visual interest over standard ceiling track. Luminaires are crafted from high quality materials to provide years of appealing illumination with an integrated adapter to ensure a solid electrical connection and simplified installation. Luminaires are available in a silver finish to create a modern style in many

different environments. No transformer is required for the line voltage fixture offering. All luminaires carry ConTech's one year full replacement guarantee after installation. See specific luminaires for lamp type and maximum wattage, lamps are sold separately. All luminaires are cCSAus Certified for dry locations.
