LED Surface Mount Disk Light

Specifications/Features

Fixture

CMR2 low profile LED surface mount disk lights provide the seamless look of traditional recessed downlights in a no maintenance energy efficient package.
The thin aesthetic design includes an opaque polycarbonate diffuser delivering soft, even illumination.
These LED disk lights are designed to surface mount onto 4" octagonal junction boxes. Optional recess mount kits allow for retrofit into existing recessed downlights.

Lamp/Electrical

Multiple LED array for uniform illumination
4" Disk Light: 12.5W
540 Lumen output (2700K)
570 Lumen output (3000K)
6" Disk Light: 15W
920 Lumen output (2700K)
940 Lumen output (3000K)
950 Lumen output (3500K)
Direct 120VAC design – no driver needed
90 CRI
Available in 2700K and 3000K color temperatures
50,000 Hour rated life
Compatible with most TRIAC and ELV dimmers

Warranty

This fixture is covered by ConTech's full five (5) year replacement guarantee after date of purchase.
